

# Ortografia

Per m'entraïnar a escriure en occitan sens engana, utilizi aquesta ficha : escrivi los mots que me pausan problema quand n'ai mestier o los mots que lo mestre me ditz. Quand me vòli far avaluar, preni una fuèlha de borrolhon e balhi la ficha a un camarada o un parent que me dictarà 5 o 10 mots :

- roge* : se ai pas escrich lo mot coma cal ;
- verd* : se ai escrich lo mot coma cal.

A la fin de la sesilha, escrivi 5 còps coma cal cada mot que me soi enganat.
